Unirub Techno India Pvt. Ltd.

We are **Unirub Techno India Pvt. Ltd,** a company located near Talegaon Dabhade, Pune, Maharashtra, India. We boast a state-of-the-art manufacturing setup dedicated to producing world-class rubber-coated fabric, rubber sheets, and gaskets, encompassing polymers like Nitrile, Neoprene, Hypalon, EPDM, Butyl, Silicone, and Viton or Customized Calendered Rubber Products as per your requirement.
In addition to our primary products, we also manufacture Silicone-EPDM-coated fiberglass, nylon, and Kevlar fabric for flexible bellows.
Here are the options available for our products

Category	Options
Base Fabrics	Nylon, Polyester, Cotton, Fiberglass, Kevlar, Nomex
Rubber Polymers	Silicone,EPDM,Nitrile, PVC Nitrile, Neoprene, Hypalon, Butyl, NR, SBR,Butyl,Viton
Color	Black, White, Orange, Grey, Blue, Red, Green, Customized
Width (mm)	Standard options - 1000mm, 1200mm, 1600mm. Custom widths available.
Length (mtr)	Standard options - 10m to 250m. Custom lengths available.
Thickness (mm)	Standard options - 0.3 mm to 7 mm. Custom thickness available.
Finish	Smooth, Plate finish, Textured

We have the capacity and experience to develop and manufacture customized rubber products as per client specifications with highest standards of quality. We look forward to a lasting engagement with your organization and would be happy to address any queries that you may have.

List of product

Sr No	Item
1	Customized Calendered Rubber Products
2	Rubber Diaphragm sheet both cured and uncured.
3	Rubber coated fabrics and rubber sheet available from 0.3 to 10 mm thick and width up to 1650mm, coated with different rubber compounds such as Nitrile, Neoprene/Chloroprene, Viton, Hapalon Butyl, Natural Rubber,SBR,Silicone, etc. with Rotocure finished. As per the application requirement or as per the customer's requirement.
4	Rubber Adhesive (Neoprene, Natural, Butyl or Other l)
5	Foundation Cloth for Carding Industry
6	Aircells Flexible Separator,Cork Gasket and NBR Gasket and Rubber Parts for the transformer industry.
7	Gas Holding Bag / Storage Balloons/Biogas Balloon/Pyrolysis Balloon
8	Inflatable Bladder/ Rubber Bladder / Surge Protection Bladder /Collapsible Bladders for Fire-Suppression Foam Concentrates
9	Flexible Water Tanks/ Collapsible Tents/Flexible Fuel tank

Unirub Techno India Pvt. Ltd.

10	Inflatable rubber Boat / Reconnaissance Boats / Leisure Boats / Banana boat /White water raft.
11	Inflatable Oil Containment Boom/ Inflatable Oil Spill Boom /Rubber Boom/Flex barge/Shoreline sealing Boom/Foam Filled Boom/Oil Resistance Floating Pollution Control Boom.
12	Collapsible Fluid Storage Bladders
13	High-Pressure Air Lifting Bags
14	Rubber Gasket / Rubber Moulded item for Automobile and Transformer industries
15	Silicone Thermal Pad or Silicone moulded product
